## About Me

I am a Shopify developer specializing in creating responsive, user-friendly e-commerce stores. My expertise lies in designing and optimizing stores for performance and functionality. With a focus on clean code and collaboration, I ensure projects meet business goals and deliver impactful results. I thrive in dynamic environments and continuously improve my skills to stay ahead in the industry.

## Tools Technologies

HTML, CSS, JavaScript, Bootstrap, Figma, Canva, Shopify, VS Code, GitHub, jQuery

## Skills

- **Frontend Development:** Proficient in HTML, CSS, JavaScript.
- **Shopify Expertise:** Experienced in working with all types of Shopify themes (basic to advanced) with customizations.
- **Web Development:** Skilled in creating responsive and user-friendly websites.
- **AI Integration:** Experience in developing web apps utilizing AI tools like Cursor AI.
- **Design Tools:** Basic design proficiency with Figma and Canva.

## Work Experience

### Freelance Shopify Developer (2020 - Present)

- Customized Shopify themes for diverse client needs, enhancing functionality and aesthetics.
- Delivered clean, responsive, and optimized e-commerce solutions.

### Frontend Developer (Freelance)

- Built dynamic and interactive websites with modern frontend technologies.
- Ensured cross-browser compatibility and responsive design.

## Education

M.S in Criminology  
University of karachi
